

# TRAFFIC IMPACTS

## Franklin Boulevard Bridge

- One lane of traffic in each direction will typically be open.

## I-84 (near the Franklin Boulevard Interchange)

- Four lanes of traffic (two in each direction) will typically be open.
- Brief nighttime lane restrictions on I-84 are anticipated between 10 p.m. and 5 a.m. on weekdays, and between 10 p.m. and 7 a.m. on weekends.
- The speed limit will be reduced to 55 mph on I-84.

## Ramps

- Brief ramp closures are anticipated on occasion.

## Noise

- Construction will cause daytime noise.
- Nighttime noise is expected in late August or early September for about one week during bridge demolition and occasionally throughout the project.
